

CASTING CALL: None In Three Jamaica

The **None in Three** global research centre, based at the University of Huddersfield, is looking for six Jamaican actors (four female, two male) to play characters within a video game set in Jamaica.

The actors' performance will be captured using the latest motion capture technology and used to animate and voice the characters in the game.

Gabrielle is 14 and lives with her mother and her mother's boyfriend, Richie, who moved in to the house just five months ago. Grace works as a waitress at a hotel and is out of the house most evenings. Richie is kind to Gabrielle and Grace is grateful for the support he gives them. But recently Gabrielle has noticed Richie seems to be singling her out for special treatment and she is starting to feel uneasy being alone with him.

The player must help Gabrielle through the encounters with Richie and explore how it affects her and the people around her.

Gabrielle – Female, 14

Gabrielle is academically gifted, good at talking to other people and makes friends easily, though she can be a little stubborn sometimes. She has grown up seeing her mother do everything she can to provide for their family. This attitude has transferred to Gabrielle who studies hard at school and wants to be a lawyer when she grows up.

Grace – Female, 36

Grace is very hardworking and always looking to provide for her family. Gabrielle's father left the family when Gabrielle was born and Grace is currently in a relationship with Richie. She believes Richie cares for both her and Gabrielle and is grateful that he helps to fund a lot of the household expenditure. As far as she knows, Richie is loyal to her which makes her feel strongly towards him as many of her past partners have been unfaithful.

Richie – Male, 37

Naturally charming and considered an upstanding member of the community. He has convinced Grace that he is a solid, responsible man and he's used this bond to manipulate her without her realising. Richie feels entitled to everything that Grace and Gabrielle have to offer as he has put himself in a position of authority in the household. He is driven by his desire for Gabrielle and can easily manipulate others around him.

Courtney – Female, 14

Courtney is Grace's best friend. She is quick thinking, naturally inquisitive and always looking out for her friends. She is more emotionally intelligent than most children her age, which makes her a soothing influence on her friends.

Levi – Male, 37

Levi is responsible, has a great fatherly instinct and is a naturally caring person, even for those outside of his family. He is Courtney's father but cares about Gabrielle and often welcomes her into his home so he can help to look after her.

Ms Campbell – Female, 40

Ms Campbell is the school councillor and is tenacious and strong willed. She has strong ethics and believes that children need to be listened to. She cares greatly for the children who she works with but is not condescending towards them.

ACTORS MUST BE BASED IN AND ELIGIBLE TO WORK IN THE UK.

As the roles will be motion captured, applicants can be of any age provided they can portray the character.
